

Wetland Habitat Chart

Use Wetland Background document and websites provided to fill out chart below.
Use bullets to indicate information, draw simple illustration of habitat, and list types of plants/animals.

| Wetland Habitat | Description/Physical Characteristics | Flora (Plants) | Fauna (Animals) |
|------------------------|---|-----------------------|------------------------|
| | | | |
| | | | |
| | | | |
| | | | |

Great Lakes Wetlands: Climate Change Adaptation

Lesson #1 - Wetland Habitat Chart

| Wetland Habitat | Description/Physical Characteristics | Flora (Plants) | Fauna (Animals) |
|-----------------|--------------------------------------|----------------|-----------------|
| | | | |
